Area Missionary News

Great things are happening for the Kingdom among our churches. There was a mission trip to Mexico and churches in partnership for an outreach event in Alturas.

In June, there will be 2 Summer Missionaries arriving, new pastors on the field, a Pastor / Leader's Conference for network & partnerships, Vacation Bible Schools, sharing the party trailer and 2 Camps. Not bad for a small group of churches around NE California.

Our strength as a network of churches is found in partnership. When we plan and work together, we can provide better training & more mission opportunities to proclaim the Gospel to more people. I'm looking forward to the Elevate Initiative with the networking clusters. FRBA no longer receives outside funding, and with the distance from the convention office, the ability to assist one another is more vital than ever.

I would also like to take just a moment to thank the Association of churches for allowing me to plant a church in Reno, and now FAITH has a Pastor! Glory to God!

In HIS grip,
J Ballard
