2018 MISSIONS CAMP

March 21, 2018

The Feather River Missions Network (FRBA) is excited to host another **Missions Camp** this year at Camp Tehama! There will be 2 Camps going on simultaneously, Children & Youth at the same location: **July 15th-July 19th**

FRBA MISSIONS CAMP
GOD'S WORK IN THE WORLD
"Look around at the nations; look and be amazed! For I am
doing something in your own day..."
Habakkuk 1:5a

Children going into **3rd grade through 6th grade** will experience missions through their own mission projects, worship, sign language, crafts, games & presenting the Gospel through face painting & bracelets.

Youth going into **7th grade through 12th grade** will be involved in missions through special mission projects, worship, drama, presenting the Gospel in various ways, leadership & team building activities.

Enclosed are a reproducible Medical Release form for each student, a counselor form, promotional poster, camp rules and what to bring. One counselor is needed for every 6 to 7 students. Camp check-in is between **5pm – 6pm Sunday, July 15th** and check-out is at **10am Thursday, July 19th**.

Cost is **\$115 per student and \$55 per counselor**. Church registration form of students attending is due Sunday, **July 1st**. Payment, student medical releases & counselor forms are due at camp registration (one check per group). Partial camp scholarships are available for special circumstances upon request.

Please help your students through your church with budget &/or fundraisers. Also, have an adult help promote and gather a group to bring from your church. It's a great way for your church to reach out to families! Also, please be in prayer and consideration to send male counselors our way (as we are always in need of more)!

If you have any questions, please call Maddie McGhan or J. Ballard at (702)525-1841 or (530)515-0014.

Come experience Missions through Camp!
