## Area Missionary News

### J. & Nicky News - February 2012

FRBA as a whole is getting healthier and churches are networking together more than ever before.

The Simple/Essential Church (EBI) Classes are going strong. There are 19 total attending in the 2 locations – Praise God! Interim Pastor Ron Lloyd is leading the course in Tulelake & I'm leading in Portola.

Nicky & I are available to help churches with pulpit supply, planning & preparing for spring Bible Study Campaigns &/or special evangelism Events. Call us. I hope to have the Block party trailer available by Easter so schedule it now for spring and summer events. Also, take advantage of the \$150 from Cal. Bapt. Conv.

In HIS grip, J. Ballard

**Daisy Murdock Missionary News from Pacific Island Univ.** Spring Semester is off and running in full swing! I started the semester off with an R.A. (Resident Assistant) Retreat for my girls who are in charge of discipleship in the dorm. This is at the very heart of my job. To disciple these student leaders and walk them through discipling other girls moving them from point A to Point B. Did I mention I love this part of my job most of all!! My R.A.'s are Ceci Pedro (a Palauan from Yap), Grace Neth (from Chuuk), Kita Mokut (from Chuuk), and Jonie Jones (Chuukese raised on Guam). They are amazing women of God who have a passion for Him and are learning to have a passion for people as well.

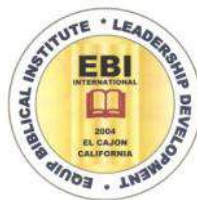

This semester we are down in the number of students we have due to many who graduated last semester and not much recruiting opportunities but, hoping that will change soon. I am headed back to Palau this coming Tuesday to do some student recruiting. I am scheduled to speak in several high schools and I will also be meeting with the President of Palau, Johnson Torebiong, where we discuss how Palau can support PIU by sending students, and how we can support Palau by sending students back to teach in the schools. I will also be attending and sharing at a Youth Conference where all of the Youth from all villages and islands in Palau will all come together to worship. It will go from the 27th-29th so please be praying for God's guidance and direction in both speech and action while I am there. Also, I ask that you start praying now against any Spiritual battles that may arise as this is always there. God provided a Buddy Pass ticket for me so it will not cost me anything to fly round trip, and the Executive Assistant to the President is the one escorting me. I have been praying for an opportunity to minister to her and God has opened the door.

I will send out another note to inform you of some medical issues I am having as well as how you can be involved and praying for me and my ministry here at PIU. Thank you all so much for your support!

Daisy Murdock
