Faith Ministry received this send relief trailer in August, and is preparing it for community service projects. This trailer is on the list to be deployed to the Texas flood support. Please consider how you and your church will respond. We are in need of Cleaning buckets, trailer supplies, or teams to travel to the disaster. All new and lightly used equipment can be dropped off at the Faith office 1055 N. Hills Blvd. #1A or at the trailer. Please call Pastor J. Ballard to respond. 530-515-0014
